

# Retail Station Site Adoption Process

## PROSPECTING

### External

- You may contact our sales team and share details about your station/land.
- Our highly satisfied existing dealers are quick to refer new prospects to us.

### Internal

- Our team also go around to identify strategic locations and stations for our consideration.

## NEGOTIATING

### Preliminary Assessment

- We will visit your site/land and assess it.
- We will request for all necessary documentation covering your asset.
- Upon successful completion of all the necessary checks, we shall proceed to discuss and agree on the business terms.
- All agreed terms shall be put in a contract for sign off by both parties.

## EXECUTION

### Licensing

- Our team will support you to get all NPA, EPA, Fire and other relevant Certificates

### Site Readiness

- JP Projects team will support you to get your site ready for business.
- Our EHSQ team will conduct Final EHSQ Control checks to ensure site is safe for business sign off by both parties.
